#### **Novices/Improvers Event**

Ever wanted to swing a golf club like Rory Mc Ilroy? To play on the same golf course where local man, Padraig Harrington, is a member? Now is your chance in the IACT's Novices/Improvers Golf Day!

With no requirement to already be a member of a golf club or have a golf handicap, it is aimed at novices and improvers or those just wanting to give golf a shot (excuse the pun!). We are offering tuition from PGA Golf Professionals at Dun Laoghaire's excellent driving range and putting greens, to help demystify the game.

##### **Format of the Day:**

- 14:30: Register at desk at Pro Shop area
- 15:00: Golf: Tuition and mini competition
- 18:15: Drinks in the clubhouse
- 19:30: Dinner followed by presentation of prizes in the clubhouse

After mastering the basics of swing, club selection and how to keep the ball on the fairway, you will participate in a small novice competition on the main course, all watched over by the expert eyes of a PGA pro.

With golf clubs and balls provided, you just turn up with shoes and suitable attire for the course.

The cost of the day is **€75**. The same price as the main Golf Day, it includes **provision of equipment, tuition from a PGA Golf Professional, mini competition, dinner and prize-giving.**

Following an afternoon on the range and the golf competitions, everyone from the Novices and our main event (4-person Team Event) will join up for dinner and prize-giving in the excellent country-club style clubhouse, overlooking the Sugar Loaf mountain in Co. Wicklow.
